<sup>\*</sup>The gathered maxi skirt panel is a standard 150cm (60 inch) wide for all sizes and is gathered to fit the waist.

The Fabric quantities for the gathered skirt (variations I-P) are based on one of these standard 150cm (60 inch) panels. Thus for smaller sizes the gathers will be fuller than for bigger sizes.

For a trimmed down look with less gathers, decrease the width to your liking (buy once the amount of fabric for the skirt). For a fuller skirt with more gathers, cut the skirt twice (buy twice the amount of fabric for the skirt).
