

Quilted Potholders

Measurements:

Instructions:

- 20cm x 80cm (8" x 31") Cotton / Cotton Canvas - NB: use natural fibers that don't melt when exposed to high temperatures.
- 20cm x 80cm (8" x 31") Fusible Batting for padding.
- 20cm x 40cm (8" x 16") Heat-resistant Interfacing or felt for protection.
- 1.8m (2yds) Bias tape (4cm / 1 1/2" wide) - NB: use natural fibers that don't melt when exposed to high temperatures.
- 40cm (16") Ribbon for decoration - NB: use natural fibers that don't melt when exposed to high temperatures.
- Cotton thread in complimentary colour.

**Additional fabric may be needed to match design or for shrinkage.*

List of Pattern Pieces:

- Potholder

Notes:

- Seam allowance 1 cm (3/8")
- For a stiffer bag, use fusible batting and/or use soft interfacing.
