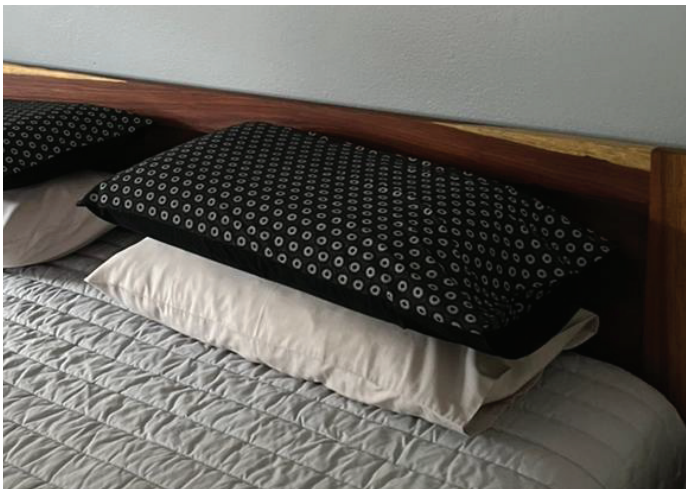
Standard Pillowcase



Some photos showcased here may be projects done by students / clients.

STANDARD PILLOWCASE - C016

Measurements:

Materials:

- 1,7m X 115cm (1 7/8 yards X 45 inches) Cotton fabric *(Makes x2 pillowcases)*
- Thread in complimentary colour

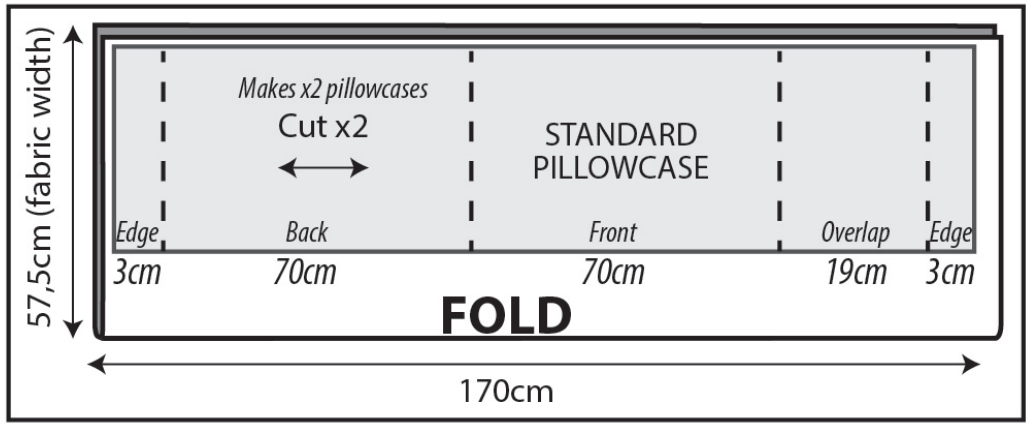
List of Pattern Pieces:

- 1: Pillowcase

Notes:

- The amount of fabric given makes 2 standard pillow cases.
- Finished pillow case size = 47cm X 70cm (18,5" x 27,5")
- Standard pillow size = 45cm X 70cm (18" x 27,5")
- If you want to make a pillowcase with two different fabrics for the front and back, separate the pattern on the line between the front and back.

Pattern Layout:



Instructions:

1) **Pattern:**
   - Cut out pattern and transfer the markings.

2) **Finish edges:**
   - Fold edge twice 1.5cm (5/8") (total 3cm (1 1/4") and stitch close to the seam edge. Repeat with the other side.

3) **Stitch pillow:**
   - Fold RS of the back to the RS of the front, aligning at the overlap line (your pillow front and back are RS together).
   - Next fold the RS of the overlap back onto the WS of the back.
   - Pin the sides in place & stitch sides with a straight stitch.
   - Overlock or zigzag stitch raw edges on the inside.
   - Turn pillow RS out and press seams.
